From the President's Desk:

Dear Members,

On behalf of Insurance Brokers Association of India (IBAI), I look forward to welcoming you to the 6TH Annual Summit in the beautiful Garden City of Bengaluru, which is also IT Hub of India, on the theme "Brokers – Challenges Ahead". I am sure this would give you good opportunity to listen to the view points of IRDA Chairman Shri J. Hari Narayan and also other leading personalities from the Indian Insurance Industry.

We are witnessing enormous challenges in the Insurance Market in India and this Summit is aimed at focusing on issues affecting the Insurance Broking Community in the back drop of present economic slowdown and recent developments like Insurance Laws (Amendment) Bill - 2008, Bancassurance, and Swaroop Committee recommendations etc. This will obviously call for more professional and positive+ approach by Brokers to face the Challenges in the present turbulent times.

We have invited Senior Executives from IRDA and Insurance Companies who, I am sure, will give us rich inputs and facilitate exchange of views to enhance the value added services to meet the expectations of Customers. Our endeavor is to bring together Broker members and representatives of Insurers & Clients on one platform, to interact, discuss and deliberate the opportunities and challenges in the Insurance Industry.

On behalf of the Directors of IBAI, I thank our Sponsors and well wishers for their valuable support for this Summit.

BHARAT J. BODA
PRESIDENT
